CONCERT BY GERMAN AMERICAN VERBAND

Wheeler and Wilson Band Accompanies
Chorus of Eighty Voices.

A chorus of eighty voices accompanied by the Wheeler and Wilson band, augmented to 40 pieces, gave a magnificent concert in Eagle's hall, last night under the auspices of the German-American Verband. The combined chorus of the Germania Singing society and the Schwebelischer Maenner Chor were united under the leadership of J. H. Keller of Meriden. The band was splendidly led by John A. Lynch. The selection "Die Gassen von Leipzig" was beautifully sung with the chorus at the Northeastern Saengerfest, in New York, in June. A selection by the Beethoven trio, composed of C. W. Wenk, Joseph Wieler, and P. W. Behrens, Jr., and a selection rendered by the Metropolitan trio, comprising Misses Nanchen Adams, Joseph Wieler, and Loren Delbridge, gave great pleasure, as did solos rendered by Miss Adams, Mr. Wieler, Mr. Delbridge and M. F. Wieler.

DAUGHTERS OF ISABELLA TRY TO EXPEL MISS LAVELLE

New York, April 20.—Miss Margaret C. Lavelle, who lives at the San Remo, Seventy-fourth street and Central Park West, and who is a sister of Mgr. Lavelle of St. Patrick's Cathedral, has instituted legal proceedings to prevent her expulsion from the Daughters of Isabella, a Roman Catholic charitable and benevolent organization of wealthy and prominent women. The matter came before Supreme Court Justice Davis yesterday, when Henry W. Herbert, counsel for Miss Lavelle, asked the court to continue a temporary injunction restraining the Daughters of Isabella from expelling Miss Lavelle from the office of State Regent of the society, and also from relieving her of the office of National Director. Decision was reserved.

When a meeting of Maria Stella Council was called for April 12 Miss Lavelle was notified to be present and answer charges against her. She was notified that it was for the purpose to depose her from the offices she held and later a move was made to expel her for exemplifying the ritual of the power had been taken from her. On this ground she obtained the injunction.

CHIEF JUSTICE BEATTY KNOCKS DOWN RUFFIAN

Los Angeles, Cal., April 20.—Chief Justice Beatty knocked a ruffian down in a Pasadena car yesterday afternoon by way of enforcing the law and teaching him manners. The head of California's Supreme Court, here for the April term, noticed the sign over the motorist's head declaring that act a violation of the ordinances.

Preacher Denounces Rotten Teachings

Atlanta, April 20.—Proclaiming that the conference for education in the South held in Atlanta last week brought to the South the teachings of a pagan education whose "damnable rotten teachings would send all to the dogs and the devil," Dr. Len G. Broughton, pastor of the largest Baptist church in Atlanta, has denounced those who took part in the conference because during its proceedings, he says, they placed at the altar of God, Christ, Christianity or the devil.

BOWERY TRAMP ORDAINED FELL TEN YEARS AGO

New York, April 20.—Harvey Graeme Furbay, Ph. D., the Princeton graduate and general secretary of the Industrial Christian Alliance at 170 Bleecker street, who six years ago was a tramp in the Bowery, was ordained a clergyman in the Presbyterian church yesterday. The ceremony took place at the First Presbyterian church, at Fifth avenue and Eleventh street.

Although Mr. Furbay was ordained a Presbyterian minister in 1890 and held several pulpits before his resignation and "fall" about ten years ago, yesterday's ceremony was described by Moderator Alexander as an "ordination" and not a "reordination."

Smugglers Alarmed

Offer Big Bribe

New York, April 20.—Alarmed because of the determination of Collector Loeb not to call off his investigators or compromise with the smugglers whose contraband goods have been seized in the last few weeks, the attorney who is alleged to be acting in their behalf has increased the cash offer by which a return of the goods is sought, together with a promise of immunity for the guilty from criminal prosecution. The collection says that the offer of \$100,000 to the government to drop its investigation has been raised to \$200,000, which included the restoration of the seized clothing. The effort to compromise was, of course, again rejected. The value of the goods seized is about \$52,000.

"AL" THIERFELDER IS HIMSELF AGAIN

"Al" Thierfelder, the well known Wall street barber, has resumed business, completely recovered from his recent operation which he underwent with fine fortitude. Dr. Robert J. Lynch was the surgeon and the success of the operation speaks volumes for his skill. Mr. Thierfelder's wide circle of friends will be pleased to hear that he is himself again and can be found once more at his place of business with the same cheery smile as of yore.

DON'T CALL A MAN "FUSSY"

Better Think Twice and You'll Have to Admit He Is Using Good Judgment

"CLOTHES DO NOT MAKE THE MAN"

An Adage Long Used In Protecting the "Seedy" Dresser But Disapproved In Recent Years.

There are a great many men in this world termed "fussy" just because they want what they want in clothing. They should be complimented for a display of good judgment rather than criticized for being over careful. Dress is an important question that is daily becoming of more consequence to every man in the country. Even the "old boys" who at one time proudly paraded the adage "Clothes don't make the man," as an apology for their seedy apparel, now demand that their representatives in business look the part of having a prosperous house behind them. A fellow nowadays must exercise care in his dress. A marked down to fifteen dollars suit will not do. He might look good for a few minutes, but then the dream is over and you find it difficult to convince yourself it's anywhere near as sleek looking as it appeared before the mirror of the ready-made clothes shop. The proof of tailor-made clothes lies in the fact that countless numbers of men have left the ready-made clothing ranks for the tailor-made, never to return again, while those who have done vice versa almost invariably go back to the tailor after the unsatisfactory experience of one ready-made suit. To the good dresser the man who enjoys the services of a good tailor—the wearing of a ready-made suit is an effort. He feels positively uncomfortable in one and a gentleman the writer knows swears "Never Again!" He tried, but the ready-made suit was not a success. There's a mighty heap of comfort in knowing you're right about your dress—in feeling you're not only a perfect fit and an attractive pattern, but in knowing you're not going to run across someone (no telling who) wearing a suit just like yours. Yes, it's a great relief to feel sure your suit is the proper thing and that your good taste will not be infringed on in any manner. If you are desirous of getting something of especially good taste for spring, try Wheeler, 1042 Main street. Here's a tailor with ideas and his familiarity with New York and London style doings equips him to produce snappy models and provide a large display of the most fashionable woolsens. Why not look?
